Dear Hastings-on-Hudson resident,

One of the most important things that I can do as your Congressman is to work hard to bring Federal money back from Washington. I recently obtained several grants for Hastings-on-Hudson.

The Fire Department received \$54,000 to help firefighters buy new safety equipment and the Village received \$28,497 to help police prevent, respond to, and investigate crime. These funds will assist in making your community a better, safer place in which to live.

Hastings-on-Hudson's schools received a \$29,760 Fund for the Improvement of Education (FIE) grant and \$99,410 was obtained for the Community Center's renovations.

I am also happy to report that I was able to obtain funds for the Village in the transportation funding legislation. The final bill included \$500,000 for the reconstruction of and safety improvements for the Warburton Bridge over Factory Lane.

As always, if my office can be of assistance to you, please do not hesitate to contact any of my three District Offices or my Congressional Office in Washington, DC.

Sincerely,

Eliot L. Engel

Member of Congress
