## WORKING TO IMPROVE THE LIVES OF AMERICA'S SENIOR CITIZENS

Congressman Eliot Engel earned a 100% rating from the Alliance for Retired Americans for his votes in Congress on issues of concern to seniors in its most recent voting record report.

Engel's other recent actions on behalf of seniors include:

**PROTECTING SOCIAL SECURITY.** Congressman Engel continues to oppose all attempts to privatize Social Security. He is supporting legislation to make Social Security stronger. To help future retirees, Engel supports AmerSave Plan legislation to expand and improve existing retirement accounts including 401(k)s and IRAs.

**FUNDS FOR SENIOR HOUSING AND SERVICES.** He has brought back millions in federal funds to assist community groups in providing services to seniors and to construct affordable housing in the Bronx, Westchester and Rockland. This includes recent federal funds to help construct apartments in Spring Valley for low-income seniors.

**IMPROVING MEDICARE.** Engel worked to have the House of Representatives pass the "Medicare Prescription Drug Negotiation Act of 2007" to mandate government negotiations with drug companies for lower prescription drug prices. The original Part D legislation prohibited negotiating for lower prices. He is also the author of the "Medicare Home Infusion Therapy Coverage Act of 2007" to allow medical procedures to be done at a person's home.
